**G**rowing up in the South gave me an appreciation for the great outdoors. We lived near the woods and I used to love to sneak off and commune with nature. Of course, when I got older, I loved the woods for another reason. Brad, my first serious boyfriend, popped my cherry near the lake behind my house. After that, I'd take all my other boyfriends there and they'd fuck me silly! When I was single, I'd go into the woods and frig my pussy until I came so loud that it was a good thing that no one was around!

"Since I've moved away from home, things are a little different. I had more than my fair share of cock, but it wasn't as satisfying. That's why I was overjoyed when I discovered a lake in a wooded area a few miles from my house. The first time I saw it, I pulled over, quickly got naked, then began masturbating like crazy.

"I now go back at least once a week. I get naked, then simply lie there, in Mother Nature's bosom, letting myself become totally uninhibited. My mind drifts back, and I love reliving the experience of my first time. I can almost feel Brad's big, hard cock penetrating my pussy and hear the sound of my cherry going pop, pop. As I plunge my fingers inside my drenched cunt, I make believe it's Brad plugging away. I make myself cum, usually several times in succession. I remember all the other wild times I had in the woods, then orgasm some more. It's almost better than actually living the moment. I've yet to bring a lover with me, but when I find the right man, you better believe I'll introduce him to my secret love paradise. Then we'll make new, even hotter memories!"

HIGH SOCIETY PRESENTS ON THE SET OF...

**W**hen Anikka was released in 2013, it captured a superstar performer on the rise and heading to big things ahead of her. Now firmly established as one of the industry's top girls, Anikka Albrite, along with Hard X director Mason, have teamed up together again for *Anikka 2*. And this time, Anikka goes even further, sexually, than she ever has before.

Of course when it comes to shooting a performer's edgiest material count on Mason being behind the camera. Having worked with Mason on *Anikka*, Anikka recounts that not only was it a pleasure working with Mason again, but was overjoyed filming another beautiful, epic movie where the two can document Anikka's exploration of her sexuality and enjoyment of life.

ALL PHOTOS COURTESY OF HARD X

Anikka 2 has Anikka performing anal, double penetration and also her first interracial anal scene of her career. "It is so comfortable shooting the dirtier and raunchier stuff with Mason because she really celebrates women's sexuality," says Anikka. "She doesn't view it as degrading or objectification. That's what I love about her. I know that when I work with Mason it will be some of the best stuff I have ever done in the industry because Mason only puts out quality stuff. Mason and I are a great team and I love the product that results when we work together. She and I started this journey with Anikka, and it was clear that the next chapter of my career, Anikka 2, had to be done with her."

Her DP scene, which also featured Mick Blue, was Anikka's favorite scene to shoot which she describes as amazing! "My first DP was my favorite scene to shoot. I had wanted this for a long time and when it finally happened it felt like every fun holiday combined. My lips were quivering, my body was uncontrollably shaking, I even cried at some points because it felt so overwhelmingly pleasurable! I lost count of the number of times I came. What made my first DP even more extremely special is that I was able to share this experience with the love of my life, Mick Blue. As I mentioned before, it was life-changing. I wish I could do a DP every day. It truly was the best sexual experience I have ever had. It was out of this world amazing! I absolutely wish that every woman could experience a DP. I believe that if everyone in this world did a DP, it would bring peace. It is the ultimate drug...the ultimate erotic pleasure. It was such a beautiful and spiritual experience for me. It really did change my life and my sexual preferences."

For her first interracial anal scene, Anikka decided to go all out with the biggest cock in porn, Mandingo. "I love big cocks and being filled up," says Anikka. "Naturally, I wanted to have the biggest cock for my first IR anal. I love working with Mandingo and he always makes me feel so good. The first moment he was inside of my ass, I wasn't sure if I could take all of it. It looked bigger than I remembered it being. He was a gentleman though, and worked it in nicely and gently. After his cock was deeper in my ass, I was able to relax and just let go and enjoy getting filled up with his massive cock. It felt fantastic."

Anikka 2, in addition to seeing Anikka work the cock, also displays Anikka's love for women and she got to work with three very amazing women in her second showcase. Those women include AJ Applegate, Dani Daniels, and Karlie Montana. "I love AJ's beauty and the energy she brings to the scene. I loved kissing her sweet soft lips and smoothing my face with her beautiful ass. She really likes to get dirty during sex, and I loved sharing Manuel Ferrara's cock with her. This was my first b/g/g anal scene where the other girl and I both do anal, and AJ was the perfect match to make this experience epic. And I would definitely say that that my three-way lesbian scene with Dani and Karli is one of, if not the hottest g/g scene I have ever done. I love Dani and think she is such a beautiful woman inside and out. She has such a raw sexual appeal and I love working with her. I never worked with Karlie before this scene and she was always on my "bucket list". I think Karlie is so gorgeous and her red hair is such a turn on for me. I love girls and wanted to show the world my passion for them; Dani and Karlie were the perfect pair to fulfill my fantasy of getting lost in an intense sexual experience with two beautiful women."

Now that *Anikka 2* is a wrap and with all the accolades being bestowed on it, Anikka feels her goals with this showcase were all met. "Everything was wonderful. I loved getting lost in the sexual pleasure of every scene. The DP was a beautiful experience I will always treasure. I loved all the fun Mason and I had while shooting this movie. We laughed so many times and shared so many moments. I really feel like I showed all my different sides of my personality in this movie. It was an epic experience!"

# THE ART OF CUNT-VERSION

34443

HIGH SOCIETY 21

**T**here's nothing like seducing another human being. Leading someone straight from temptation into bed. It's even sweeter when that person was previously in denial that they wanted to fuck you. Hotter still is when you 'convert' a straight person into your bisexual lover!

"Such was the case with my co-worker, Deb. Every time I laid eyes on this hot brunette seated across the office from me, my panties got damp and my clit quivered. While I go both ways, the taste of sweet pussy is my favorite delicacy. I couldn't stop thinking about spreading Deb's legs and diving in. We would do lunch a couple times a week, yet it was hard to get a gauge on her, sexually speaking. Finally, I suggested we hit up happy hour.

"After a few margaritas, we were sufficiently 'loosened up.' I put my hand on Deb's knee. She didn't pull away. Not one for subtlety, I leaned in and kissed her on the lips, then whispered in her ear, 'I want to take you home and send you into orgasm heaven.' She smiled, said, 'Hey, I'm wasted, so what the hell,' and nodded yes.

"Back at my place, we wasted little time. I tore Deb's clothes off and pushed her onto the bed. I then proceeded to devour her, from head to toe. Her nipples perked up, her clitty poked out, her box oozed juice. I took it all in, licked and lapped, then finger-fucked her to multiple climaxes. No longer coquettish, Deb returned the favor—her inexperienced tongue making up in enthusiasm what it might have lacked in skill. I came, she came, we came. Now, she's coming back for more—to my bed quite often! Seduction sure is sweet!"

HIGH SOCIETY 35

t's amazing how you can fool people so easily. I find that not too many folks are very perceptive. Take my case, for example. I'm a librarian—yes, they still exist—by occupation, working in a large public facility. And yes, I look like the typical librarian of yore. Blonde hair in a bun, glasses, no makeup, formless business suit and sensible shoes. But that's by day—and it's not the real me!

"Once evening rolls in, I let my hair down, literally and figuratively. My true self? A slut, pure and simple. The lipstick goes on, the stilettos come out. And I go on the prowl. I always come home with prey—in the form of a stud who gets to fuck me all night long. Sometimes, if I'm feeling especially horny, I hunt multiple targets. Two trophy cocks are better than one.

"When I'm with two guys, my pussy drips like Niagara Falls. I love to make them compete for my attention. The one who licks my cunny the best wins being first in line to sear my insides. I also get off on mouthing two dicks at once. It's like a contest. I take turns, seeing which is tastier, bigger, and makes the largest dent in my windpipe. I've perfected my skills to where I can make both guys shoot at the same time. When their cum seeps off my face, it makes me go wild. I finger myself to climax, then let the guys take over. Like they say, you can't judge a book—or a librarian—by its cover!"

SPARKLE  
**ALL THAT  
SPARKLES....**

34440

**M**y given name is Lana, but everyone calls me 'Sparkle.' Why? That's the name a former boyfriend gave me. I'm a natural redhead and when he first saw my pussy he said that it sparkled like a 'glittering fire.' The name stuck, even though when people ask me how I got it, I don't tell them the truth. One thing I do, however, is aim to prove that I live up to the name.

"I love to fuck. And it's the thing I'm best at in this world. Everyone I've ever been with—and there have been a lot—says I'm a real firebrand in bed. I've got amazing control over my pussy muscles. I love to grip a dick—the bigger, the better—and squeeze it like a lemon. I can exert different amounts of pressure so that both my lover and I feel the intensity of our passion. I can actually keep a guy hard and inside me until I want him to cum; no preemie blast-offs with me!

"I think redheads are genetically sexually hotter than other people. It's in the blood, baby! When I'm with a good lover, we go for hours. Believe me, I've invented positions that most would never even imagine. And some guys have even told me that my cunt tastes different. It's spicier than most—like a ginger snap. I wish that every guy in existence could get to sample my wares. But since that's not possible, you can look and fantasize. Believe me, if you think I sparkle here, the real thing is so much better—and fiery!"

A full-page photograph of a nude woman with long brown hair, sitting on a dark leather couch. She is looking over her shoulder at the camera with a seductive expression. Her right hand holds a clear, studded glass dildo, which she is holding by the base. The background shows a bright room with a window and some furniture.

I have to admit, I get just as turned on as you do by looking at pictures of myself! That's right. I think it's because just the thought of you getting all hot and horny over pictures of my sweet pussy sends my imagination racing about what you would do to me if you actually had me naked in the room with you. Or better yet, what I would do to you if we were naked together in a room. Well, for now all we have is our imaginations and, well I have this super studded glass dildo. So, sit back and watch me fuck myself and let your imagination run wild!

Lust for you,

Sparkle

BREANNE BENSON & KENI

# THE FORBIDDEN ZONE

34439

I thought all men sucked—that is, until I met Keni. Just because I'm hot, all they wanted was to fuck me so they could tell their friends they scored with a '10.' Not Keni. He liked me for me, for my smarts, my humor and, most of all, my quirkiness. He found out that quirkiness translated into a love of all things kinky.

"We're the perfect match. He's into all kinds of freaky sex—and so am I. In the bedroom, we experiment more than mad scientists in the lab. I can't even tell you some of the stuff we've tried. He's fucked me everywhere, from deep in my asshole to between my toes! He's hung me like a living pinata and pounded away with his personal 'bat.' I've sucked every hole of his dry. You get the picture. Hell, we don't even attempt to fuck normally. Best of all, future possibilities are endless. We're going to take each other places few couples have been before!"

KAGNEY LYNN CARTER  
**THE SEAL OF  
XXX-CELLENCE**

34438

HIGH SOCIETY 65

**H**i, guys. Yes, it's Kagney Linn. I'm sure you all recognize me. After all, I am one of the best-known performers in the XXX industry, all modesty aside. I've won so many awards, I can't even keep track. I think my favorite was being voted 'Best Boobs in Porn.' Of course, winning numerous kudos for the hottest sex scenes is also way cool. I love what I do and I put my all in it.

"There are no sacred holes with me. If you've got it, use it, I say. That's why I'm so open (LOL) to doing anal scenes. And while I don't play favorites, I must admit I especially get wet and squeal like a greased pig when a hung black stud fills my rectum with luscious dark meat. A lot of girls fake it on camera. You better believe I'm not one of them. Far from it. I think I'm so popular because my fans realize that I'm not acting when I'm on screen."

"Before all is said and done, I want to try everything. If it's sexual, I want to do it. There's not much I haven't done, except maybe take on the whole Fifth Fleet at once. Mmm, now there's an idea! Men, women, little people, Martians, if it'll make a good scene, I'm into it. I love exposing myself in the most intimate of ways before a camera. And I've still got many good years left in my famous pussy before I hang up my dildos. If you've never seen me perform, you're missing out. Rush out and get my DVDs. You'll see the real deal. That's me. Let's just say cumming soon to a screen near you—and I'm going to keep cumming!"

# BROOKLYN CHASE

## THE HIGH SOCIETY INTERVIEW

Q&A by PGR

**P**ORN VALLEY, CA—ONE OF THE BRIGHTEST STARS TO EMERGE IN 2014 IS BROOKLYN CHASE, WHO AFTER A COUPLE OF YEARS IN THE BUSINESS HAS RISEN TO BECOME ONE OF PORN'S TRUE A-LIST TALENTS. THE LADY KNOWN FOR HER SEXY FIGURE, BIG BOOBS, AND SALACIOUS SEXUAL APPETITE HAS SHOWN HER BEST STUFF FOR A MYRIAD OF TOP NOTCH STUDIOS AND FILMS. NEW SENSATIONS SPOTLIGHTED BROOKLYN RECENTLY IN *THE SEXUAL DESIRES OF BROOKLYN CHASE*, AND WICKED CAST HER IN THE COMEDY ODD JOB, PROOF THAT THIS GORGEOUS, SENSUAL WOMAN IS MULTI-TALENTED IN ADDITION TO HAVING A PRETTY FACE. SHE MAY STAND 5'2 BUT BROOKLYN STANDS HEAD AND SHOULDER WITH MANY OF THE TOP PORN BABES TODAY!

**HIGH SOCIETY:** Brooklyn, I know you receive a lot of attention for your boobs which are spectacular but I always notice your great legs which are long for a girl who's 5'2 and very toned. Are you very athletic . . . what do you do to keep in really great shape?

**Brooklyn Chase:** I very much appreciate that because my legs are the part of my body that I hate the most. They're the part I'm most self-conscious about. So with that being said I do a lot of leg workouts because I'm self-conscious about my legs. So apparently they're paying off. I have a gym in my garage so I do squats and lunges, box jumps and things like that. Squats are kind of my thing right now so that's what I do.

**HS:** Some of the sexual positions performers do probably require strong legs such as reverse cowgirl.

**BC:** Yes, absolutely. That was something when I first got into the industry, one of the things that took me by surprise the most is . . . it's like an aerobic workout. It's like yoga combined with . . . I don't even know. You need stamina, it gets really hot, you're putting your body in crazy contortions that you wouldn't normally do. It's more aerobics than I ever would have guessed it would be.

**HS:** Didn't you watch before entering the industry and notice the positions the performers do?

**BC:** I really only watched girl/girl. That's what turned me on was girl/girl. I really didn't watch boy/girl. So I did not know that you had to be a contortionist to perform. In girl/girl there aren't any positions like that.

**HS:** You had big boobs before but you recently got them bigger to 32G. Why did you want them bigger?

**BC:** I had the implants I had for 10 years and I just felt it was time. as I've gotten older they were heavy and they weren't looking the way I had wanted them to look. There were certain positions I would put my body in and I would see things, whether anyone else saw them or not, I would see things I didn't think looked that great. So I had just initially planned on getting them redone. The same thing over again, kind of like a face-lift. Then I thought since I was going under the knife to have surgery I might as well go bigger. I had not planned on being a G. That was not my plan, I was planning on being an F. you can still go to the store and buy an F bra. An F is OK, didn't plan on being a G but we learn to work with it. [Laughs]

**HS:** Of the films you've shot this year, such as Sexual Desires of Brooklyn Chase, Sweetness and Light, Odd Jobs, which role are you most proud of?

**BC:** I had my first lead role in Odd Jobs for Wicked Pictures with the amazing director, Jonathan Morgan. I really got to do a lot of acting. I had so much fun playing this bitchy, not nice woman and I would really love to be nominated for best actress for that. that would make my year to have a nomination like that. As far as sex scenes I think I've done a lot of good scenes for Naughty America in the last year. I got to work with Johnny Castle who's my favorite guy. I got to work with him a few times actually in the last few months and I think I've done some really good scenes with him. He's just great to work with. So yeah I think I've done some good work for Naughty recently.

## I plan on being a performer until people are tired of looking at me.

**HS:** Would you rather win an award for your acting or your sexual performance?

**BC:** I don't know actually. I think that acting would be cool just because, when I did my very first scene what I was nervous about was acting. I wasn't scared about having sex with a stranger, I wasn't really worried about the camera. I just remembered the director said action, and I was suppose to walk on set and I froze. Then they said "cut" and I said, "I'm not an actress, I don't know what to do." The director said, "It's porn, it's not that serious. Don't worry about it." So that's what I remember most from my first scene. I was so scared about what to say and how to act and what to do. So I think it would be fun to win an award for acting. I would obviously love to win an award for my sexual performance because that's the industry

we're in, but I think it would be cool to win an acting award.

**HS:** There's no doubt you are one of the top girls in the business. What would you attribute your rise as one of the top girls in the business?

**BC:** That's so bizarre to hear you say I'm one of the top girls. That's so crazy to me. About a year ago I moved to a new agency and I started working with my amazing publicist, and I think the combination of those two combined with the first year when I didn't know what I was doing, and the fact that I've gotten comfortable in my own skin and more comfortable with the fact that I can let loose a little bit and the fans like it . . . in the beginning you kind of focus a lot on, "Am I doing this right?" And the longer you're in

you get to have fun. I think the last year has been for me, just a lot of fun, and I think that translates. So having an awesome agent who's able to get me a lot of work and to show up to work and have a good time and have a good scene is like the magic combination. I think in that first year you're trying to figure it all out.

**HS:** Is performing something you plan on doing for a long time?

**BC:** Yes. I plan on being a performer until people are tired of looking at me. And by the time they get tired of looking at me, hopefully by then I will have figured out what I want to transition to. I look at people like Asa Akira who is performing and is now directing, or Lisa Ann who is only performing in her own stuff that she produces for her company. I have girls in the industry that I look at and think, "That would be cool if I could do that." I'd like to direct, maybe shoot my own stuff, I don't know what I want to do. But I plan to perform until it's time to figure that out.

**HS:** Did you always want to be a porn star? When did you realize your calling to become a porn star?

I never, ever thought about being in porn, ever. I had always been promiscuous, I had always fucked around. I found myself looking for a new job two years ago and I thought, "Maybe I could be a stripper. That would be kind of cool." I had found my former agency and they booked me a bunch of shoots and I chickened out. I said, "I can't do this." I changed my mind, I freaked out, this was not for me, I can't do this. This was after I had signed a contract and had photos taken, and I still wasn't sure. I knew that I liked sex, I knew that I wasn't worried about having sex with strangers because I was doing that anyway but I wasn't sure about porn. Then suddenly I manned up and shot my first scene and I thought how fun it could be, and how easy going, and it was just a really cool environment. I thought, "OK, this is it. This is what I want to do."

**HS:** What's the best and worst thing about being a porn star?

**BC:** The best thing is a tie between getting to have sex all the time and really being able to have tons of free time. I have so much free time and in previous jobs I worked 60 hours a week. So I really love that I'm able to have sex all the time which is awesome and live an easy going, laid-back life. The worse thing are the times when it can be a little scary such as a moratorium. In my opinion we're all very safe but of course there are things you worry about just given the nature of our business. And it's hard sometimes with people who don't understand or share the same kind of open mind and you can lose friends and family members and people you care about because they don't agree with your lifestyle. Those I think are the

## THE FUCK FACTS

**Birthday:** March 14, 1985

**Birthplace:** San Diego, CA

**Height:** 5'2"

**Weight:** 110 pounds

**Measurements:** 32G-25-37

**Notable Movies:** *Orgy Masters 4* (Jules Jordan),  
*Odd Jobs* (Wicked Pictures), *Lex's Breast Fest 2*  
(Evil Angel), *Big Busty Workout 2* (Zero Tolerance),  
*Having Sex With The In-Laws* (Digital Sin)

worse. The people in your life you wish would understand that don't, and in the back of your mind always thinking about your health.

**HS:** Are you a very dominant or submissive person?

**BC:** Submissive. I like to be told what to do, put where I need to be, I like to be man-handled. I'm for sure submissive, 100%.

**HS:** Do you masturbate often? Who or what do you think about when you masturbate?

**BC:** I masturbate at least once a day, usually more than that but at least once. I used to always imagine before I had ever been with a girl a blonde tanned girl going down on me. I've had that but that's what I always thought about. Now it's very hard for me to have orgasms except with my

Hitachi and it's extremely quick. I don't always time to think about much so it's a quick process.

**HS:** What other sexual fantasies have come true for you since you started working in porn?

**BC:** Pretty much all of them. I had never had sex with more than one person at a time. I always wanted a threesome whether it was with another girl or another guy and I've done that. I have always wanted to have sex with a Black guy. I had never done that and my first time was on camera. My first interracial was on camera, first girl/girl was on camera, my first threesome ever was on camera. I had just had me and a guy and pretty vanilla sex until I got into the industry and now I'm doing interracial gangbangs. [Laughs] The only

thing that I want to do and I haven't done yet is to do a strap-on scene with another girl. I would love to do that.

**HS:** Do you like being naked? Do you walk around naked in your private life?

**BC:** I love being naked. I wouldn't say I'm naked all the time but I get yelled at for forgetting to close the blinds and walking into the living room and all the blinds are open. I do that a lot. So I spend a decent amount of time naked.

**HS:** What's it like for you to have a job in which you get to be naked at work?

**BC:** I don't get self-conscious and I thought that I would because I didn't think that being naked was that exciting to me before. But there are times I'm walking around on set and I'm thinking, "I wonder if I should put clothes on right now? I wonder if I should be getting dressed because I don't really want to."

**HS:** Of all your films you've done in your career, which of your movies are you most proud of?

**BC:** I'm really proud of Odd Jobs. The Grease parody, that was the very first feature that I've ever been in. I didn't even realize we'd be lip-synching songs and rehearsing choreography for dances and things like that. I'm really glad I got to be a part of that. I would love to do a lot of parody of things. I think they would be a lot of fun. I get a lot of positive response from my interracial stuff which I thoroughly enjoy doing. I've had a lot of fun. There are very few scenes that I don't think I didn't do very well. I think I've had a good run so far.

**HS:** What's one superpower you wish you could have?

**BC:** I would teleport and I would teleport being able to carry things because I drive three hours each direction from home to set. So if I could just grab my suitcase and snap my fingers and teleport, that would be fantastic.

**HS:** Anything you'd like to say in closing to the High Society readers?

**BC:** Thank you so much for wanting to talk to me. I'm very excited because High Society is a big deal so I'm quite excited about it.

HIGH SOCIETY 91

You're only 25 once, right? And you better party like it's 1999 to mark that quarter-century! Of course, I don't know too many people who can match how I celebrated the big two-five. Okay, I'm the original wild child, I admit that. But even for me, the night was beyond crazy!

"My fiance, Frank asked me what I wanted to do. Thinking about it for a while, I told him, 'Let's have an orgy.' Knowing me, he realized I wasn't kidding. He chuckled and a large tent formed in his pants. I got on the phone and called my best friend, Maria. We'd lapped each other's coochies numerous times, but never with guys present. Telling her my idea, she said she'd bring her male bestie, Sal, along for the 'ride.'

"The night was incredible. We started off getting buzzed on champagne and other party favors, if you know what I mean. Then we simply got naked and started groping each other. If anyone filmed the evening, we'd win the award for wildest sex scene ever! There's no way to even describe it. I guess what really sent me over the edge was when Maria licked my clit while Sal fucked me and I sucked Frank all the way down my throat. I never had such a mind-blowing orgasm. It was the first of many. We each came multiple times. When all was said and done, my pussy was so sore, my mouth so numb that I thought I might have to see a doctor. Now my friends are asking me what we're going to do for my 26th. Believe me, I'm working on it. Let's party!"
